

Abfall-Labyrinth

Auf seinem Weg durch das Labyrinth findet Müllmonster Mampfi unterschiedliche Abfallgegenstände – hilf ihm, den Weg aus dem Labyrinth und zu den Abfalltonnen zu finden.

The maze puzzle features a blue path that starts at the top left with the head of the blue monster Mampfi. The path winds through the maze, passing through several waste items: a red Tetra milk carton, a brown paper bag, a crumpled metal can, a clear plastic cup with a straw, and a silver metal can. The path ends at the bottom of the maze, leading to three trash bins: a yellow-lidded bin for organic waste (BIO), a red-lidded bin for food waste (ALTPAPIER), and a blue-lidded bin for metal and glass (GLAS).
